ARTICLE II AUTHORIZATION OF THE NOTES

Section 201. Authorization of and Security for the Notes. The Notes are authorized and directed to be issued pursuant to the Resolution for the purpose of providing funds to pay the Authorized Costs of the Improvements.

The Notes shall be general obligations of the County payable as to both principal and interest from general obligation bonds of the County and from current revenues of the County authorized for such purpose. If not paid, the principal of and interest on the Notes shall be payable from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the County. The full faith, credit and resources of the County are irrevocably pledged for the prompt payment of the principal of and interest on the Notes as the same become due.

Section 202. Description of the Notes. The Notes shall consist of fully registered notes in the denomination of \$1,000 or any integral multiple thereof and shall be numbered in such manner as the Note Registrar determines. All of the Notes shall be dated November 1, 2001, shall bear interest from that date at the rate of per annum set forth below and shall become due on the Principal Payment Dates as follows:

Principal Payment Date	Principal Amount	Interest Rate
November 1, 2002	\$ 17,000	4.0%
November 1, 2003	17,000	4.0
November 1, 2004	18,000	4.0
November 1, 2005	148,000	4.0

Interest on the Notes at the rates stated above (computed on the basis of a 360-day year of twelve 30-day months) from the most recent Interest Payment Date to which interest has been paid or provided for, shall be payable on the Interest Payment Dates to the Owners of the Notes whose names appear on the books maintained by the Note Registrar at the close of business on the Record Dates.

Section 203. Designation of Paying Agent and Note Registrar. The Treasurer of the County is designated as the Paying Agent and Note Registrar for the Notes.

Section 204. Method and Place of Payment of the Notes. The principal of, premium, if any, and interest on the Notes shall be payable in any coin or currency which, on the respective dates of payment, is legal tender for the payment of debts due the United States of America.

The principal of the Notes shall be paid to the Owner of each Note upon presentation of the Note at the maturity or redemption date to the Paying Agent for cancellation. The interest payable on the Notes on any Interest Payment Date shall be paid by the Paying Agent to the Owner of each Note at the Owner's address as it appears on the registration books of the County maintained by the Note Registrar at the close of business on the Record Date for such interest:

- A. by check or draft mailed by the Paying Agent to the address of such Owner shown on the Note Register; or
- B. at such other address as is furnished to the Paying Agent in writing by such Owner.

The Paying Agent will keep in its offices a record of payment of principal of, premium, if any, and interest on all Notes.

Section 205. Method of Execution and Authentication of the Notes. The Notes shall be executed for and on behalf of the County by the manual or facsimile signature of the Chairman, attested by the manual or facsimile signature of the County Clerk and the seal of the County shall be affixed to or imprinted on the Notes. The Notes will be registered in the office of the County Clerk, evidenced by the manual or facsimile signature of the County Clerk with the seal of the County affixed to or imprinted on the Notes. The Notes shall also be registered in the office of the State Treasurer, evidenced by the manual or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed to or imprinted on the Notes. The Notes will be countersigned by the manual or facsimile signature of the County Clerk and the seal of the County is to be affixed or imprinted adjacent to the signature following registration of the Notes by the State Treasurer. In the event any of the above-mentioned officers cease to hold their offices before the Notes are issued and delivered, the Notes may be issued and transferred to other Owners as though the officers had not ceased to hold office, and the signatures appearing on the Notes will be valid and sufficient for all purposes as if they had remained in office until the issuance or transfer.

The Notes are not to be valid obligations under the provisions of the Resolution until authenticated by the Note Registrar or a duly authorized representative of the Note Registrar by execution of the Certificate of Authentication appearing on each Note. It will not be necessary that the same representative of the Note Registrar execute the certificate of authentication on all of the Notes.

Section 206. Registration, Transfer and Exchange of Notes. As long as the Notes remain Outstanding, the County will instruct the Note Registrar to keep the books for the registration and transfer of the Notes as provided in the Resolution.

Upon presentation of the necessary documents as described below, the Note Registrar shall transfer or exchange any Note(s) for new Note(s) in an authorized denomination of the same maturity and for the same aggregate principal amount as the Note(s) which was presented for transfer or exchange.

All Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Note Registrar, executed by the Owner of the Notes or by the Owner's authorized agent. In addition, all Notes presented for transfer or exchange shall be surrendered to the Note Registrar for cancellation.

Prior to delivery of the new Note(s) to the transferee, the Note Registrar shall register the same in the registration books and shall authenticate each Note.

The County shall pay out of the proceeds of the Notes the fees of the Note Registrar for registration and transfer of the Notes and the cost of preparing a reasonable supply of registered note blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Note Registrar, are the responsibility of the Owners.

The County and the Note Registrar shall not be required to issue, register, transfer or exchange any Notes during a period beginning on the day following the Record Date preceding any Interest Payment Date and ending at the close of business on the Interest Payment Date, or within 30 days of a date on which Notes are redeemed after notice of such redemption has been given in accordance with Article III of this Resolution.

New Notes delivered upon any transfer or exchange shall be valid obligations of the County, evidencing the same debt as the Notes surrendered, shall be secured by the Resolution and shall be entitled to all of the security and benefits to the same extent as the Notes surrendered.

The County, Note Registrar and Paying Agent may deem and treat the person in whose name any Note is registered as the absolute Owner of the Note, whether the Note is overdue or not, for the purpose of receiving payment of, or on account of, the principal of, redemption premium, if any, and interest on the Note and for all other purposes, and all such payment so made to any such Owner or upon the Owner's order shall be valid and effectual to the extent of the sum or sums so paid, and neither the County, Note Registrar and Paying Agent shall be affected by any notice to the contrary.

Section 207. Surrender and Cancellation of Notes. Whenever any Outstanding Notes are delivered to the Note Registrar for cancellation pursuant to the Resolution, upon payment of the principal amount of and interest on the Note or replacement pursuant to the Resolution, the Note shall be canceled by the Note Registrar and returned to the County Clerk.

Section 208. Mutilated, Lost, Stolen or Destroyed Notes. In the event any Note is mutilated, lost, stolen or destroyed, the County may execute and the Note Registrar may authenticate a new Note of like date, maturity, denomination and interest rate; provided, that in the case of any mutilated Note, the mutilated Note shall first be surrendered to the County or the Note Registrar, and, in the case of any lost, stolen or destroyed Note there will first be furnished to the Note Registrar's and the County's satisfaction evidence of such loss, theft or destruction together with an indemnity. In the event any such Note shall have matured, instead of issuing a duplicate Note, the County and Note Registrar may pay the same without surrender of the Note. The County and Note Registrar may charge to the Owner of such Note their reasonable fees and expenses in connection with replacing any Note or Notes mutilated, stolen, lost or destroyed.

Section 209. Execution and Delivery of the Notes. The Chairman and County Clerk are authorized and directed to prepare and execute the Notes in the manner specified above, and to cause the Notes to be registered in the offices of the County Clerk and the State Treasurer as provided by law, and, when executed and registered, to deliver the Notes to the Original Purchaser, upon receipt by the County of the Purchase Price.

ARTICLE III REDEMPTION OF THE NOTES

Section 301. Optional Redemption. At the option of the County, Notes may be called for redemption and payment prior to maturity in whole or in part (selection of Notes to be designated by the County in such equitable manner as it may determine) at any time prior to maturity at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest to the date of redemption.

Section 302. Selection of Notes to be Redeemed. The Notes are to be redeemed only in the principal amount of \$1,000 or any integral multiple thereof. When less than all of the Notes are to be redeemed and paid prior to maturity, the Notes will be redeemed in the manner as the County determines.

In the case of a partial redemption of Notes by lot when Notes of denominations greater than \$1,000 are Outstanding, each \$1,000 of face value will be treated as if it were a separate Note of the denomination of \$1,000. If it is determined that one or more, but not all, of the \$1,000 units of face value represented by any Note is selected for redemption, then upon notice of intention to redeem the \$1,000 unit or units, the Owner or the Owner's authorized agent shall present and surrender the Note to the Note Registrar: (i) for payment of the redemption price (including the redemption, if any, and interest to the date fixed for redemption) of the \$1,000 unit or units of face value called for redemption; and (ii) for exchange, without charge to the Owner of the Note(s), for a new Note(s) of the aggregate principal amount of the unredeemed portion of the principal amount of such Note. If the Owner of any Note of a denomination greater than \$1,000 fails to present the Note as described above, the Note will, nevertheless, become due and payable on the redemption date to the extent of the amount called for redemption.

Section 303. Notice of Redemption. Unless waived by any Owner of Notes to be redeemed, if the County calls any Notes for redemption and payment prior to the maturity of the Notes, the County shall give written notice of its intention to call and pay the Notes on a specified date, the same being described by maturity, the notice to be mailed by United States first class mail addressed to the Owners of the Notes and to the State Treasurer, each of the notices to be mailed not less than 30 days prior to the date fixed for redemption. The County will also give any additional notice as may be required by State law in effect as of the date of the notice.

All official notices of redemption will be dated and state (1) the redemption date, (2) the redemption price, (3) if less than all of the Outstanding Notes are being redeemed, the identification (and, in the case of partial redemption, the respective principal amounts) of the Notes being redeemed, (4) on the redemption date the redemption price will become due and payable on each Note or portion of the Note called for redemption, and interest on the Note shall cease to accrue from and after the date, and (5) the place where the Notes are to be surrendered for payment of the redemption price, which is the principal office of the Paying Agent.

Prior to any redemption date, the County will deposit with the Paying Agent an amount of money sufficient to pay the redemption price of all the Notes or portions of Notes which are to be redeemed on that date. In accordance with the notice, once the Notes are surrendered to the Paying Agent, the redemption price will be paid to the Owner. Installments of any interest due on or prior to the redemption date shall be payable as provided in this Resolution. Upon surrender of the partial redemption of any Note, a new Note or Notes of the same maturity in the amount of the unpaid principal will be prepared for the Owner. All Notes which have been redeemed will not be reissued. They will be canceled and destroyed by the Paying Agent.

Section 304. Effect of Call for Redemption. Whenever any Note is called for redemption and payment as provided in this Article, all interest on the Note shall cease from and after the date the call is made, provided funds are available for its payment at the price previously specified.

ARTICLE IV ESTABLISHMENT OF FUNDS AND ACCOUNTS

Section 401. Creation of Funds and Accounts. Simultaneously with the issuance of the Notes, the following funds and accounts will be created within the Treasury of the County:

A. Improvement Fund for Woodson County, Kansas, General Obligation Temporary Notes, Series 2001;

B. Principal and Interest Account for Woodson County, Kansas, General Obligation Temporary Notes, Series 2001.

Section 402. Administration of Funds and Accounts. The funds and accounts established in this Resolution shall be administered in accordance with the provisions of the Resolution as long as the Notes are outstanding.

**ARTICLE V
APPLICATION OF NOTE PROCEEDS**

Section 501. Disposition of Note Proceeds. Upon issuance and delivery of the Notes, the proceeds shall be deposited as follows:

A. In the Principal and Interest Account, a sum equal to the accrued interest and any premium paid on the Notes. Moneys in the Principal and Interest Account will be used exclusively for the payment of the principal of, premium, if any, and interest on the Notes.

B. The County will deposit the balance of the proceeds of the Notes immediately upon receipt into the Improvement Fund, which will be used solely for the purpose of paying the Authorized Costs of the Improvements. The County covenants that in the construction of the Improvements, it will perform all duties and obligations relative to such Improvements as are now or may be imposed by the Act and the provisions of the Resolution.

Section 502. Withdrawals from the Improvement Fund. The County Treasurer shall make withdrawals from the Improvement Fund solely for the purpose of paying the Authorized Costs of the Improvements.

Section 503. Surplus in the Improvement Fund. All moneys remaining in the Improvement Fund after the completion of the Improvements shall be transferred immediately to the Principal and Interest Account and applied to the principal due on the Notes.

**ARTICLE VI
PAYMENT OF THE NOTES**

Section 601. Application of Moneys in the Principal and Interest Account. All amounts paid and credited to the Principal and Interest Account will be expended and used by the County for the sole purpose of paying the principal of, premium, if any, and interest on the Notes as and when the same become due.

Section 602. Transfer of Funds to Paying Agent. The County Treasurer is authorized and directed to withdraw from the Principal and Interest Account and forward to the Paying Agent sums sufficient to pay both principal of and premium, if any, and interest on the Notes when they become due, and also to pay the charges made by the Paying Agent for acting in such capacity. Charges over and above the amount of the principal of, premium, if any, and interest on the Notes shall be forwarded to the Paying Agent. If, through the lapse of time, or otherwise, the Owners of Notes are no longer entitled to enforce payment of their obligations, it will be the duty of the Paying Agent to return the funds to the County. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in the Resolution.

Section 603. Surplus in Principal and Interest Account. Any moneys or investments remaining in the Principal and Interest Account after the retirement of the indebtedness for which the Notes were issued and all other indebtedness of the County shall be transferred and paid into the Bond and Interest Fund of the County.

**ARTICLE VII
DEPOSITS AND INVESTMENT OF FUNDS**

Section 701. Deposits. Cash moneys in each of the funds and accounts created and established by this Resolution will be deposited in a bank or banks or federal or state chartered savings and loan association(s) and shall be secured in accordance with State law.

Section 702. Investments. Moneys held in the funds and accounts created or established by this Resolution in conjunction with the issuance of the Notes may be invested by the County in Authorized Investments, or in other investments allowed by State law in the amounts and maturing at the times as shall reasonably provide for moneys to be available when required in the accounts or funds; provided, however, that no investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose the fund or account was created. All interest on any Authorized Investment held in any fund or account shall accrue to and become a part of the fund or account. In determining the amount held in any fund or account under the provisions of the Resolution, Authorized Investments shall be valued at their principal par value or at their then redemption value, whichever is lower.

**ARTICLE VIII
DEFAULT AND REMEDIES**

Section 801. Remedies. The provisions of the Resolution, including the covenants and agreements, shall constitute a contract between the County and the Owners of the Notes. The Owner or Owners of any of the Notes at the time Outstanding have the right for the equal benefit and protection of all Owners of Notes similarly situated:

A. by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the County and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Resolution or by the Constitution and laws of the State;

B. by suit, action or other proceedings in equity or at law to require the County, its officers, agents and employees to account as if they were the trustees of an express trust; and

C. by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Notes.

Section 802. Limitation on Rights of Owners. The covenants and agreements of the County contained in this Resolution and in the Notes shall be for the equal benefit, protection, and security of the Owners of any or all of the Notes, all of the Notes shall be of equal rank and without preference or priority of one Note over any other Note in the application of the funds pledged by this Resolution to the payment of the principal of and interest on the Notes, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in the Resolution. No one or more Owners secured shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for in this Resolution, or to enforce any right described below, except in the manner provided by this Resolution, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Owners of such Outstanding Notes.

Section 803. Remedies Cumulative. No remedy conferred upon the Owners is intended to be exclusive of any other remedy, but each remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred in this Resolution. No waiver of any default or breach of duty or contract by the Owner of any Note shall extend to or affect any subsequent default or breach of duty or contract or impair any rights or remedies on the Note. No delay or omission of any Note Owner to exercise any right or power accruing upon any default shall impair any right or power or be construed to be a waiver of any such default or acquiescence. Every substantive right and every remedy conferred upon the Owners of the Notes by the Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. In case any suit, action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy is discontinued or abandoned for any reason, or is determined adversely to the Owner, then, and in every such case, the County and the Owners of the Notes will be restored to their former positions and rights under this Resolution, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE IX AMENDMENTS

Section 901. Amendments. Except as set forth in this Resolution, the provisions of the Notes and the provisions of the Resolution authorized by this Resolution may be modified or amended at any time by the County with the written consent of the Owners of not less than seventy-five percent (75%) in aggregate principal amount of the Notes at the time Outstanding; provided, however, that no such modification or amendment permits or is construed as permitting: (a) the extension of the maturity of the principal of any of the Notes, or the extension of the maturity of any interest on any of the Notes, or (b) a reduction in the principal amount of any of the Notes or the rate of interest on the Notes, or (c) a reduction in the aggregate principal amount of the Notes; the consent of 100% of the Owners of which is required for any such amendment or modification. The County may from time to time, without the consent of or notice to any of the Owners, provide for amendment to the Notes or the Resolution, for any one or more of the following purposes:

A. To cure any ambiguity or formal defect or omission in the Resolution or to make any other change not prejudicial to the Owners;

B. To grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners;

C. To more precisely identify the Improvements;

D. To provide for the issuance of bearer notes and the exchange of fully registered Notes for bearer notes upon the terms and conditions as the County determines provided, however, that no such amendments become effective unless and until the County has received an opinion of Bond Counsel in the form and substance satisfactory to the County, to the effect that the issuance of such bearer notes or the exchange of Notes for such bearer notes will not cause the interest on the Notes to be includable in the gross income of the recipients of the Notes under the provisions of applicable federal law; or

E. To conform the Resolution to the Code or future applicable federal law concerning tax-exempt obligations.

Section 902. Written Evidence of Amendments. Every amendment or modification of a provision of the Notes or of the Resolution to which the written consent of the Owners is given as above provided shall be expressed in a resolution of the County amending or supplementing the provisions of the Resolution shall be deemed to be a part of the Resolution. It shall not be necessary to note on any of the Outstanding Notes any reference to such amendment or modification, if any. A certified copy of every such amendatory or supplemental ordinance, if any, and a certified copy of the Resolution will always be kept on file in the Office of the County Clerk and made available for inspection by the Owners of any Note or prospective purchaser or Owners of any Note authorized by the Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of the Resolution will be sent by the County Clerk to any such Owner or prospective Owner.

ARTICLE X DISCLOSURE

Section 1001. Exemption from SEC Rule 15c2-12. The County represents in connection with paragraph (a) of the Securities and Exchange Commission Rule 15c2-12 that the Notes are not part of an offering of municipal securities with an aggregate principal amount of \$1,000,000 or more.

ARTICLE XI MISCELLANEOUS PROVISIONS

Section 1101. Exception from Rebate Requirements. The County makes the following representations in connection with the exception for small governmental units from the arbitrage rebate requirements under Section 148(f)(4)(c) of the Code:

- A. 95 percent or more of the net proceeds of the Notes are to be used for local governmental activities of the County; and
- B. the aggregate face amount of all tax-exempt bonds (other than private activity bonds) issued by the County during the calendar year that the Notes are issued is not reasonably expected to exceed \$5,000,000.

Section 1102. Designation of Notes as Qualified Tax-Exempt Obligations. The County designates the Notes as "qualified tax-exempt obligations" as the term is defined in Section 265(b)(3) of the Code. In addition, the County represents that:

- A. the reasonably anticipated amount of tax-exempt obligations (other than private activity bonds) which will be issued by the County during the calendar year that the Notes are issued does not exceed \$10,000,000; and
- B. the aggregate principal amount of obligations designated by the County as "qualified tax-exempt obligations" during the calendar year that the Notes are issued, including the Notes, does not exceed \$10,000,000.

Section 1103. Tax Covenants. The County covenants and agrees that it will not take any action or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income of the interest on the Notes under Section 103 of the Code. The County covenants and agrees that it will use the proceeds of the Notes as soon as practicable and with all reasonable dispatch for the purpose for which the Notes are issued as set forth above, and that it will not directly or indirectly use or permit the use of any proceeds of the Notes or any other funds of the County, or take or omit to take any action that would cause the Notes to be "arbitrage bonds" within the meaning of Section 148(a) of the Code. To that end, the County will comply with all requirements of Section 148 of the Code to the extent applicable to the Notes. In the event that at any time the County is of the opinion that for purposes of this Section it is necessary to restrict or limit the yield on the investment of any moneys held by the County under the Resolution, the County shall take such action as may be necessary.

Section 1104. Severability. In case any one or more of the provisions of the Resolution or of the Notes issued under this Resolution is for any reason found to be illegal or invalid, such illegality or invalidity shall not affect any other provision of the Resolution, or of the Notes relating to the Resolution, but the Resolution and the Notes will be construed and enforced as if the illegal or invalid provision had not been contained in the Resolution. In case any covenant, stipulation, obligation or agreement contained in the Notes or in the Resolution is for any reason found to be in violation of law, then such covenant, stipulation, obligation or agreement shall be deemed to be the covenant, stipulation, obligation or agreement of the County to the full extent permitted by law.

Section 1105 Further Authority. The Chairman, County Clerk and other officials are further authorized and directed to execute any and all documents, take actions they may deem necessary or advisable in order to carry out and perform the purposes of the Resolution. They may make and approve alterations, changes or additions in the above-mentioned agreements, statements, instruments and other documents approved, authorized and confirmed by this Resolution, and the execution or taking such action shall be conclusive evidence of the necessity or advisability.

Section 1106. Governing Law. The Resolution and the Notes will be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 1107. Effective Date. This Resolution is to take effect and be in full force from and after its adoption by the Board of County Commissioners of the County.

This Note is one of an authorized series of Notes of the County designated "General Obligation Temporary Notes, Series 2001," in an aggregate principal amount of \$200,000 (the "Notes") issued for the purposes set forth in the resolution of the County authorizing the Notes (the "Resolution"). The Notes are issued by the authority of and in full compliance with the provisions, restrictions and limitations of the Constitution and laws of the state of Kansas, including, but not limited to, K.S.A. 10-123 and K.S.A. 19-15,114 to 19-15,118, inclusive, all as amended, and all other applicable provisions of the laws of the state of Kansas applicable.

At the option of the County, this Note may be called for redemption and payment prior to maturity in whole or in part (selection of notes to be designated by the County in such equitable manner as it may determine) at any time prior to maturity at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest to the date of redemption.

Whenever the County is to select Notes for the purpose of redemption, it shall, in the case of Notes in denominations greater than \$1,000, if less than all of the Notes then outstanding are to be called for redemption, treat each \$1,000 of face value of each such fully registered Note as though it were a separate Note in the denomination of \$1,000.

If any Notes are called for redemption and payment prior to maturity, the County shall give written notice of its intention to call and pay such Notes on a specified date, the same being described by maturity, said notice to be mailed by United States first class mail addressed to the State Treasurer of Kansas and to the owners of said Notes, each of said notices to be mailed not less than 30 days prior to the date fixed for redemption. All Notes so called for redemption and payment shall cease to bear interest from and after the date for which such call is made, provided funds are available for the payment of such Notes at the price specified.

The Notes are issued in fully registered form in the denomination of \$1,000 or any integral multiple thereof. This Note may be exchanged at the office of the Note Registrar for a like aggregate principal amount of Notes of the same maturity of other authorized denominations upon the terms provided in the Resolution.

This Note is transferable by the registered owner in person or by the registered owner's agent duly authorized in writing, at the office of the Note Registrar, but only in the manner, subject to the limitations and upon payment of the charges provided in the Resolution and upon surrender and cancellation of this Note. The County shall pay out of the proceeds of the Notes all costs incurred in connection with the issuance, payment and initial registration of the Notes and the cost of a reasonable supply of note blanks.
