Notwithstanding the foregoing, if a single certificate with an Amortization Schedule is issued, principal will be paid in the same manner as interest is paid and presentation and surrender of the Bond to the Paying Agent shall not be necessary until the final payment of the entire obligation evidenced by such Bond.

The interest payable on each Bond on any Bond Payment Date shall be paid to the Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest by check or draft mailed by the Paying Agent to the address of such Owner shown on the Bond Register or at such other address as is furnished to the Paying Agent in writing by such Owner.

The Issuer shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be at least 30 days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, by first class mail, postage prepaid, to each Owner of a Bond entitled to such notice at the address of such Owner as it appears on the Bond Register not less than 10 days prior to such Special Record Date.

Any additional costs or fees that might be incurred in the secondary market, other than fees of the Bond Registrar, are the responsibility of the Owners of the Bonds. In the event any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Code § 3406, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Owner hereunder or under the Bonds.

The Issuer and the Bond Registrar shall not be required (a) to register the transfer or exchange of any Bond that has been called for redemption after notice of such redemption has been mailed by the Paying Agent pursuant to **Section 303** hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the Issuer of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to **Section 204** hereof.

The Issuer and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute Owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Bond Registrar, the Bond Register may be inspected and copied by the Owners (or a designated representative thereof) of 10% or

more in principal amount of the Bonds then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Bond Registrar.

Section 207. Execution, Registration, Authentication and Delivery of Bonds. Each of the Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall be executed for and on behalf of the Issuer by the manual or facsimile signature of the Chairman, attested by the manual or facsimile signature of the Clerk and the seal of the Issuer shall be affixed thereto or imprinted thereon. The Chairman and Clerk are hereby authorized and directed to prepare and execute the Bonds in the manner herein specified, and to cause the Bonds to be registered in the office of the Clerk, which registration shall be evidenced by the manual or facsimile signature of the Clerk with the seal of the Issuer affixed thereto or imprinted thereon. The Bonds shall also be registered in the office of the State Treasurer, which registration shall be evidenced by the manual or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed thereto or imprinted thereon. In case any officer whose signature appears on any Bonds ceases to be such officer before the delivery of such Bonds, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The Chairman and Clerk are hereby authorized and directed to prepare and execute the Bonds as herein specified, and when duly executed, to deliver the Bonds to the Bond Registrar for authentication.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as **EXHIBIT A** hereof, which shall be manually executed by an authorized officer or employee of the Bond Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Bond Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Bond Registrar. Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Bond Resolution. Upon authentication, the Bond Registrar shall deliver the Bonds to the Purchaser upon instructions of the Issuer or its representative.

Section 208. Mutilated, Lost, Stolen or Destroyed Bonds. If (a) any mutilated Bond is surrendered to the Bond Registrar or the Bond Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Issuer and the Bond Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Bond Registrar that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Bond Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the Issuer, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this Section, the Issuer and the Paying Agent may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

Section 209. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 211. Loan Resolution. So long as USDA is the Owner of any of the Bonds, the Issuer shall be subject to the separate Loan Resolution executed and entered into by it at closing of the issuance of the Bonds in accordance with the Loan Resolution. The provisions of the Loan Resolution and the provisions of this Bond Resolution are to be construed wherever possible so that they will not be in conflict. In the event such a construction is not possible, the provisions of the Loan Resolution shall prevail.

Section 212. Sale of the Bonds. The sale of the Bonds to the Purchaser is hereby ratified and confirmed. Delivery of the Bonds shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the adoption of this Bond Resolution), upon payment of the Purchase Price.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption by Issuer.

Optional Redemption. At the option of the Issuer, the Bonds (including installments of principal set forth on the Amortization Schedule) may be called for redemption and payment prior to the Stated Maturity as a whole or in part (selection of principal installments and amounts to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

Mandatory Redemption. The Issuer acknowledges the provisions of 7 U.S.C. 1983(3) and right of USDA to require the redemption of the entire unpaid principal amount of the Bonds in accordance therewith.

Section 302. Selection of Bonds to be Redeemed.

(a) In the event the Issuer desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Bond Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in **Section 303** are met.

(b) Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine. Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Bond Registrar may determine.

(c) In the case of a partial redemption of Bonds, the Owner of a single certificate with Amortization Schedule need not submit such certificate for re-registration. In the case of a partial redemption of any other Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each a minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem such a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of such a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of the a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Registrar and the Purchaser. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;

(c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;

(d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and

(e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, further notice may be given by the Issuer or the Bond Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed.

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Bond Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

ARTICLE IV

SECURITY FOR BONDS

Section 401. Security for the Bonds. The Bonds shall be general obligations of the Issuer payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Bonds as the same become due.

Section 402. Levy and Collection of Annual Tax. The governing body of the Issuer shall annually make provision for the payment of principal of, premium, if any, and interest on the Bonds as the same become due by, to the extent necessary, levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be deposited in the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Bonds as and when the same become due, taking into account any scheduled mandatory redemptions, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS AND ACCOUNTS DEPOSIT AND APPLICATION OF BOND PROCEEDS AND OTHER MONEYS

Section 501. Creation of Funds and Accounts. Simultaneously with the issuance of the Bonds, there shall be created within the Treasury of the Issuer the following funds and accounts:

- (a) Improvement Fund for General Obligation Bonds, Series 2009;
- (b) Debt Service Account for General Obligation Bonds, Series 2009; and
- (c) Costs of Issuance Account for General Obligation Bonds, Series 2009.

The Funds and Accounts established herein shall be administered in accordance with the provisions of this Bond Resolution so long as the Bonds are Outstanding.

Section 502. Deposit of Bond Proceeds and Other Moneys. The net proceeds received from the sale of the Bonds and certain other funds shall be deposited simultaneously with the delivery of the Bonds as follows:

(a) The sum of \$[] shall be deposited in the Costs of Issuance Account.

(b) The remaining balance of the proceeds derived from the sale of the Bonds, together with funds provided by the Issuer in accordance with *subsection (c)* hereof, shall be deposited in the Improvement Fund.

(c) In addition to proceeds of the Bonds, the Issuer will use available moneys representing a Federal Grant in an amount of \$50,000 to pay a portion of the costs of the Improvements.

Section 503. Application of Moneys in the Improvement Fund. Moneys in the Improvement Fund shall be used for the sole purpose of: (a) paying the costs of the Improvements, in accordance with the plans and specifications therefor prepared by the Consulting Engineer heretofore approved by the governing body of the Issuer and on file in the office of the Clerk, including any alterations in or amendments to said plans and specifications deemed advisable by the Consulting Engineer and approved by the governing body of the Issuer; (b) paying interest on the Bonds during construction of the Improvements; and (c) paying Costs of Issuance to the extent necessary.

Withdrawals from the Improvement Fund shall be made only when authorized by the governing body of the Issuer. Each authorization for costs of the Improvements shall be supported by a certificate executed by the Issuer's Clerk (or designate) stating that such payment is being made for a purpose within the scope of this Bond Resolution and that the amount of such payment represents only the contract price of the property, equipment, labor, materials or service being paid for or, if such payment is not being made pursuant to an express contract, that such payment is not in excess of the reasonable value thereof. Authorizations for withdrawals for other authorized purposes shall be supported by a certificate executed by the Issuer's Clerk (or designate) stating that such payment is being made for a purpose within the scope of this Bond Resolution. Payment out of the Improvement Fund of all Costs of Issuance of the Bonds and interest accruing on the Bonds during the period of construction of the Improvements shall not require a certificate from the Issuer's Clerk (or designate).

Upon completion of the Improvements, any surplus remaining in the Improvement Fund: (a) consisting of proceeds of the Federal Grant shall be returned to the grantor thereof; and (b) consisting of proceeds of the Bonds shall be deposited in the Debt Service Account.

Section 504. Application of Moneys in Debt Service Account. All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due and the usual and customary fees and expenses of the Bond Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Bond Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Bond Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners

of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Bond Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Bonds entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the indebtedness for which the Bonds were issued shall be transferred and paid into the Bond and Interest Fund.

Section 505. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in a bank, savings and loan association or savings bank: (a) organized under the laws of the State or the United States with main offices located in the Issuer; or (b) under certain conditions of State law, organized under the laws of the United States or any other State thereof, with main offices located outside of the State, but with a branch located in the Issuer. All such depositories shall be members of the Federal Deposit Insurance Corporation. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account may be invested in accordance with this Bond Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may be credited to the Debt Service Account.

Section 506. Application of Moneys in the Costs of Issuance Account. Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. Any funds remaining in the Costs of Issuance Account, after payment of all Costs of Issuance, but not later than the later of 30 days prior to the first Stated Maturity of principal or one year after the date of issuance of the Bonds, shall be transferred to the Improvement Fund until completion of the Improvements and thereafter to the Debt Service Account.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Bond Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Bond Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Bonds and/or interest accrued to the Stated

Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Bonds, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with *Section 302(a)* of this Bond Resolution. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Bond Resolution.

Notwithstanding anything in this Bond Resolution to the contrary, so long as any of the Bonds are owned or insured by USDA, the Issuer will not issue any additional bonds or other obligations for the purpose of providing funds to refund all or a part of the Bonds unless either: (a) all of the Bonds are paid, retired and cancelled concurrently with the issuance of such refunding bonds or obligations or at the next occurring Stated Maturity; or (b) written consent to the issuance of such refunding bonds or obligations is given by USDA.

ARTICLE VIII

TAX COVENANTS

Section 801. General Covenants.

(a) The Issuer covenants and agrees that (1) it will comply with all applicable provisions of the Code, including Code § 103 and 141 through 150, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds and (2) it will not use or permit the use of any proceeds of Bonds or any other funds of the Issuer, and will not take or permit any other action, or fail to take any action, if any such use, action or failure to take action would adversely affect the exclusion from gross income of the interest on the Bonds. The Issuer will, in addition, adopt such other resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

(b) The Issuer covenants and agrees that (1) it will use the proceeds of the Bonds as soon as practicable and with all reasonable dispatch for the purposes for which the Bonds are issued, and (2) it will not invest or directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the Issuer in any manner, or take or omit to take any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Code § 148(a).

(c) The Issuer covenants and agrees that it will not use any portion of the proceeds of the Bonds, including any investment income earned on such proceeds, directly or indirectly, in a manner (1) that would cause any Bond to be a "private activity bond" within the meaning of Code § 141(a), or (2) to make or finance a loan to any Person other than the State or a political subdivision thereof.

Section 802. Rebate Covenants.

(a) The Issuer covenants and agrees that it will pay or provide for the payment from time to time all amounts required to be rebated to the United States pursuant to Code § 148(f) and the Federal Tax Certificate. This covenant shall survive payment in full or defeasance of the Bonds. The Federal Tax Certificate may be amended or replaced if, in the opinion of Bond Counsel such amendment or replacement will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds.

(b) The Issuer makes the following certifications in connection with the exception for small governmental units from the arbitrage rebate requirements under Code § 148(f)(4)(D):

- (1) The Issuer is a governmental unit under State law with general taxing powers;
- (2) no Bond is a "private activity bond" as defined in Code § 141;
- (3) 95% or more of the net proceeds of the Bonds are to be used for local governmental activities of the Issuer; and
- (4) the aggregate face amount of all tax-exempt bonds (other than private activity bonds) to be issued by the Issuer during the current calendar year is not reasonably expected to exceed \$5,000,000. The Issuer understands that, for this purpose, (i) the Issuer and all entities which issue bonds on behalf of the Issuer are treated as one issuer, and (ii) all bonds issued by an entity subordinate to the Issuer are treated as issued by the Issuer.

Section 803. Qualified Tax-Exempt Obligations. The Issuer hereby designates the Bonds as "qualified tax-exempt obligations" as such term is defined in Code § 265(b)(3). In addition, the Issuer hereby represents that:

(a) The aggregate face amount of tax-exempt obligations (other than private activity bonds which are not "qualified 501(c)(3) bonds") which will be issued by the Issuer (and all subordinate entities thereof) during calendar year that the Bonds are issued is not reasonably expected to exceed \$30,000,000; and

(b) the Issuer (including all subordinate entities thereof) will not issue an aggregate principal amount of obligations designated by the Issuer to be "qualified tax-exempt obligations" during calendar year that the Bonds are issued, including the Bonds, in excess of \$30,000,000, without first obtaining an opinion of Bond Counsel that the designation of the Bonds as "qualified tax-exempt obligations" will not be adversely affected.

The Chairman is hereby authorized to take such other action as may be necessary to make effective the designation contained in this Section.

Section 804. Survival of Covenants. The covenants contained in this Article shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to *Article VII* hereof or any other provision of this Bond Resolution until the final maturity date of all Bonds Outstanding.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 901. Insurance; Fidelity Bond Coverage.

The Issuer will carry and maintain such reasonable amount of all-risk insurance on all properties constituting the Improvements insofar as they are of an insurable nature as would be carried by a municipality with similar property and performing similar functions; and in the event of loss or damage, the Issuer will use the proceeds of such insurance to reconstruct or replace the damaged or destroyed property, or if such reconstruction or replacement be unnecessary, then such proceeds shall be used in redeeming or paying off Outstanding Bonds. The Issuer also will carry general liability insurance in amounts not less than the then maximum liability of a governmental entity for claims arising out of a single occurrence, as provided by the Kansas tort claims act or other similar future law (currently \$500,000 per occurrence).

So long as the Bonds are owned or insured by USDA, all officers and employees of the Issuer handling the Funds and Accounts shall be bonded in each Fiscal Year in an amount not less than the total Debt Service Requirements on the Outstanding Bonds, until the final maturity date of the Outstanding Bonds or such other amount as is agreed to by USDA.

As long as any of the Bonds owned or insured by USDA remain Outstanding, the Issuer will annually submit a report of its insurance and fidelity bond coverage to USDA for review and approval.

Section 902. Annual Audit.

Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of its Funds and Accounts for the preceding Fiscal Year by an Independent Accountant. As long as any of the Bonds owned or insured by USDA remain Outstanding, such audit to be performed in accordance with RD Instruction 1942-A, Section 1942.17(q)(4) and OMB Circular A-133.

Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk and a duplicate copy of the audit shall be mailed to USDA. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner.

As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Bond Resolution, the Issuer shall promptly cure such deficiency.

Section 903. USDA Deemed to be Owner.

So long as any of the Bonds are owned or insured by USDA remain Outstanding, USDA shall be deemed to be an Owner of such Bond.

Section 904. Sale, Disposition or Use of the Improvements.

So long as any of the Bonds are owned or insured by USDA remain Outstanding, the Issuer will not sell, lease or otherwise dispose of the Improvements to any nongovernmental person or entity without the prior written consent of USDA.

Section 905. Amendments.

The rights and duties of the Issuer and the Owners, and the terms and provisions of the Bonds or of this Bond Resolution, may be amended or modified at any time in any respect by resolution of the Issuer with the written consent of the Owners of not less than a majority in

principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal or interest on any Bond;
- (c) permit preference or priority of any Bond over any other Bond; or
- (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Bond Resolution.

Any provision of the Bonds or of this Bond Resolution may, however, be amended or modified by resolution duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to conform this Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Bonds or of this Bond Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution adopted by the governing body of the Issuer amending or supplementing the provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified copy of every such amendatory or supplemental resolution, if any, and a certified copy of this Bond Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Bond Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or of this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

Section 906. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be

sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Resolution, Bonds owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Bond Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Issuer.

Section 907. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Bond Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 908. Electronic Transactions. The issuance of the Bonds and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

Section 909. Further Authority. The officers and officials of the Issuer, including the Chairman and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Bond Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

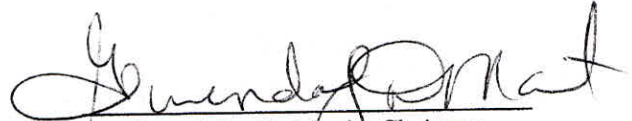

Section 910. Severability. If any section or other part of this Bond Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Bond Resolution.

Section 911. Governing Law. This Bond Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 912. Effective Date. This Bond Resolution shall take effect and be in full force from and after its adoption by the governing body of the Issuer.

ADDITIONAL PROVISIONS

Authorization of Bonds. This Bond is one of an authorized series of Bonds of the Issuer designated "General Obligation Bonds, Series 2009," aggregating the principal amount of \$175,000 (the "Bonds") issued for the purposes set forth in the Resolution of the Issuer authorizing the issuance and prescribing the form and details of the Bonds (the "Bond Resolution"). The Bonds are issued by the authority of and in full compliance with the provisions, restrictions and limitations of the Constitution and laws of the State of Kansas, including K.S.A. 19-15,115 *et seq.*, as amended, and all other provisions of the laws of the State of Kansas applicable thereto.

General Obligations. The Bonds constitute general obligations of the Issuer payable as to both principal and interest from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby pledged for the payment of the principal of and interest on this Bond and the issue of which it is a part as the same respectively become due.

Redemption Prior to Maturity. The Bonds are subject to redemption prior to maturity as follows:

Optional Redemption. At the option of the Issuer, this Bond (including installments of principal set forth on the Amortization Schedule) may be called for redemption and payment prior to the Stated Maturity as a whole or in part (selection of principal installments and amounts to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

Mandatory Redemption. The Issuer acknowledges the provisions of 7 U.S.C. 1983(3) and right of USDA to require the redemption of the entire unpaid principal amount of this Bond in accordance therewith.

Redemption Denominations. Whenever the Bond Registrar is to select Bonds for the purpose of redemption, it shall, in the case of Bonds in denominations greater than a minimum Authorized Denomination, if less than all of the Bonds then Outstanding are to be called for redemption, treat each minimum Authorized Denomination of face value of each such Bond as though it were a separate Bond in the denomination of a minimum Authorized Denomination.

Notice of Redemption. Notice of redemption, unless waived, shall be given by the Issuer to the Purchaser of the Bonds and to the Bond Registrar in accordance with the Bond Resolution. The Issuer shall cause the Bond Registrar to notify each Registered Owner at the address maintained on the Bond Register, such notice to be given by mailing an official notice of redemption by first class mail at least 30 days prior to the redemption date.

Effect of Redemption. Notice of redemption having been given as aforesaid, this Bond or portions of principal to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer defaults in the payment of the redemption price), this Bond or principal portions hereof so redeemed shall cease to bear interest.

Redemption of less than all of the principal amount of this Bond shall not reduce the annual installments of principal not redeemed which shall remain due and payable in accordance with the Amortization Schedule.

Transfer and Exchange. This Bond may be transferred or exchanged, as provided in the Bond Resolution, only on the Bond Register kept for that purpose at the principal office of the Bond Registrar, upon surrender of this Bond, together with a written instrument of transfer or authorization for exchange satisfactory to the Bond Registrar duly executed by the Registered Owner or the Registered Owner's duly authorized agent, and thereupon a new Bond or Bonds in any authorized denomination of the same maturity and in the same aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Bond Resolution and upon payment of the charges therein prescribed. The Issuer shall pay all costs incurred in connection with the issuance, payment and initial registration of the Bonds and the cost of a reasonable supply of bond blanks. The Issuer and the Paying Agent may deem and treat the person in whose name this Bond is registered on the Bond Register as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes. The Bonds are issued in fully registered form in Authorized Denominations.
