

WOODSON COUNTY SOLID WASTE COMMERCIAL DISPOSAL POLICY

This policy is a change to the policy in effect since October 31, 2023.

As of March 18, 2025 the Woodson County Transfer Station will require all commercial contractors disposing of construction and demolition and/or brush/trees to provide a signature from the Woodson County landowner for the material that is being disposed. The landowner must certify they are not being charged a disposal fee from the contractor. If the contractor cannot provide this documentation, or the landowner is being charged a disposal fee, then the contractor will be charged \$200.00 per truck/trailer load. Any signatures found to be forged will result in a \$200.00 charge per truck/trailer load. The company must pay cash, check or credit card upfront in order to dump.
